SUBJECT : Middle Arms Study

Bill —

1. Attached is an opening tranche on your request for material dealing with the Middle East arms balance. Of particular interest to you may be the current inter-agency view on the effect of aircraft sales in the Middle East. I also am enclosing a study done in 1975 on the Arab-Israeli War and a copy of the 1975 Arab-Israeli Handbook. [redacted] STAT

2. We are working on the NIEs and I am going through an impressive AEGIS run trying to weed out non-relevant items. Hopefully we can get the rest of this to you this week.
